To bad your her boyfriend.  
We're friends and I like it that way.  
But I like, I like your girlfriend  
Somethings can't be restrained.  
Well  
All i can say is,  
Don't ever screw up

I like your girlfriend  
I like your girl  
I like your girlfriend  
I like your girl  
I like your girlfriend  
I like your girl  
I like your girlfriend  
I like your girl

She looks great in that sweater  
And her mother even looked better  
Just means that she'll get hotter  
As she gets older and older

I like your girlfriend  
I like your girl  
I like your girlfriend  
I like your girl  
I like your girlfriend  
I like your girl  
I like your girlfriend  
I like your girl

Somethings can't be determind  
Somethings can't be explained  
Somethings are best left unspoken  
Somethings won't go away

I can't keep on being around her  
I feel guilty when i'm with my friends

I like your girlfriend  
I like your girl  
I like your girlfriend  
I like your girl  
I like your girlfriend  
I like your girl  
I like your girlfriend  
I like your girl  
I like your girlfriend  
I like your girl  
I like your girlfriend  
I like your girl  
I like your girlfriend  
I like your girl  
I like your girlfriend  
I like your girl
