Why don't you tell me that you're not going to hire me,
No opportunity, no responsibility and no one to look up
to me,
That's the way it's going to be,
And nothings going to change me
So I'll have to wait and see,
What the hell is next for me, with all my university,
And my 22 degrees, in the arts psychology,
Not to mention pottery and ancient history
So I'll try the lottery and hope I win a lot of money,
Then I'll buy the company and have you work for me.
Shithead.
