Setcha free, setcha free
Come into my Planet Soul

Take me down, fill me up
Give me ecstasy, not enough
I am what you need, do it with me
In this world of hate, I can fill you up

I can clear the rain, I can be your dream
Baby, share it with me, I can make you scream
Baby, baby, baby, I can be your dream

Come into my Planet Soul
Setcha free, setcha free

Get it out, keep it up
Baby, feel it with me, loosen up
Make me feel the heat, give it to me
We can get there the same, tell me when to come

I can be there again, I can make you my friend
It will never end, I can be there again
Baby, baby, baby, I can make you scream

Come into my Planet Soul
Do it to me now
(Possibly do it tonight)

Ecstasy, ecstas-ecstasy, ecstas
Ecstasy, ectsas-ecstas-ecstasy, ecstas-ecstas
Ecstasy, ectsas-ecstas-ecstasy, ecstas-ecstas
Ecstasy, ecstasy

Express to me, if you feel ecstasy
This high is for you and me
Gravity, energy, make me feel good
So do it, and welcome to my planet soul

Planet, Planet, Planet Soul
Setcha free, setcha free
Come into my Planet Soul

Come into my Planet Soul
Setcha, setcha, setcha, setcha
Setcha, setcha, setcha, setcha free
