If I could buy a little peace
Just a moment of two to sit back and breath
I could start it over again
I'd know it's all a game
A game called playing pretend

Chorus:

Tell me when you look in the mirror
What do you really see?
A well behaved believer
Or a freak among the freaks?

Don't you feel like you've been used?
Pushed around again and told just what to do.
Would it make a difference in the end
If this was all a game
A game called playing pretend

Chorus:

Tell me when you look in the mirror
What do you really see?
A well behaved believer
Or a freak among the freaks?

You are the freak among the freaks
You are the freak among the freaks
Don't you ever forget
You are the freak among the freaks
Don't you ever forget
