Give me a smile
Just a little taste
You're the only thing I ever wanted
Please can I touch, touch your pretty face?
Whatever it takes to get this started.

Chorus:
Would you dance for me
Come on dance for me
Take my money take everything
Just fucking dance for
Come on dance for me
And shake it baby like a superfreak
So come on yeah!
Come on yeah!
Shake it baby like a superfreak
So come on yeah!
Come on yeah!
Shake it baby like a superfreak
So come on!

I'm in love with you
Don't you feel the same?
This is more than highlights and a little fun
Give me some love
And just a little pain
Now tell me baby don't you want some

Chorus:
Would you dance for me
Come on dance for me
Take my money take everything
Just fucking dance for
Come on dance for me
And shake it baby like a superfreak
So come on yeah!
Come on yeah!
Shake it baby like a superfreak
So come on yeah!
Come on yeah!
Shake it baby like a superfreak
So come on!

Hate you hate you
I don't wanna touch you
Hate you hate you
I don't wanna touch you
But I want you to dance for meÂ....

Â... Just fucking dance for me!

So come on yeah!
Come on yeah!
Shake it baby like a superfreak
So come on yeah!
Come on yeah!
Shake it baby like a superfreak
So come on!
