I look at you and my blood boils hot, I feel my  
temperature rise  
I want it all, give me what you got, there's hunger in  
your eyes  
I'm getting closer, baby hear me breathe  
You know the way to give me what I need  
Just let me love you and you'll never leave  
Chorus:  
Feel my heat takin' you higher, burn with me, Heaven's  
on fire  
Paint the sky with desire, angel fly, Heaven's on fire  
I got a fever ragin' in my heart, you make me shiver  
and shake

Baby don't stop, take it to the top, eat it like a piece of  
cake  
You're comin' closer, I can hear you breathe  
You drive me crazy when you start to tease  
You could bring the devil to his knees  
Chorus  
Oho Heaven's on fire, oho Heaven's on fire, oho  
I'm getting closer, baby hear me breathe  
You know the way to give me what I need  
Just let me love you and you'll never leave  
Chorus repeats out
