Furuboketa madobe ni yureteta
Na mo nai hibi no nokoshita kioku
Hikarabita urei wa mushishita
Wasureru yori mo toozakeru youni

Awai kitai tsunotteku katachi mo mie nai ashita made
Tsuduiteku reeru ni mitoreta no wa naze?
Itai kurai karappo no takanaru kokoro ga kotae nara
Aoi mayoi datte muda janai kana? kitto

Nee, omoi wa tsutawara naku tesa
Soredemo dare ka motomeru mujun
Nee, tashika na mono nado naku tesa
Akirame bakari meni utsuru kedo

Awai kitai tsunotteku katachi mo mie nai ashita made
Mirai sae suruushite tadori tsukeru kana?
Itai kurai karappo no takanaru kokoro ga kotae nara
Asai negai datte muda janai kana? kitto

Awai kitai tsunotteku katachi mo mie nai ashita made
Tsuduiteku reeru ni mitoreta no wa naze?
Itai kurai karappo no takanaru kokoro ga kotae nara
Aoi mayoi datte muda janai kana? kitto
