Crying, crying over you
Intensify security
Break the chains that hold me down
No chance for sanity around here
Cause I aint gonna be your fool no more
Another mask of innocence
You hide away for convenience
Its just a change of attitude oh yeah, yeah
Cause I aint gonna be your fool no more
Cause I aint crying, crying over you
All you ever want me to do
Crying over you
You never seem to state your case
You always make me lose it, lose it
Im getting tired of running the race oh yeah, yeah
Chorus
Nothings gonna change my direction
Cause I aint gonna cry
Crying, crying over you
All you ever want me to do
Crying over you, oh no, oh no
