Hmm, he-he

Oh, hey

doesn't't matter (It doesn't't matter)

doesn't't matter at all

doesn't't matter what your friends are telling you

doesn't't matter what my familys saying too

It just matters that Im in love with you

It only matters that you love me too

It doesn't't matter if they wont accept you

Im accepting of you and the things you do

Just as long as it's you

Nobody but you, baby, baby

My love for you, unconditional love too

Gotta get up, get up

Get up, get up, get up and show you that it

doesn't't really matter what the eye is seeing

Cause Im in love with the inner being

And it doesn't't really matter what they believe

What matters to me is you're in love with me

doesn't't really matter what the eye is seeing

Cause Im in love with the inner being

And it doesn't't really matter what they believe

What matters to me is you're nutty-nutty-nutty for me

(Youre so kind)

Just what I asked for, you're so loving and kind

(And you're mine)

And I can't believe you're mine

doesn't't matter if you're feeling insecure

doesn't't matter if you're feeling so unsure

Cause I'll take away the doubt within your heart

And show that my love will never hurt or harm

doesn't't matter what the pain we go through

doesn't't matter if the moneys gone too

Just as long as Im with you

Nobody but you, baby, baby

you're love for me, unconditional I see
Gotta get up, get up
Get up, get up, get up and show you that it

doesn't't really matter what the eye is seeing
Cause Im in love with the inner being
And it doesn't't really matter what they believe
What matters to me is you're in love with me

doesn't't really matter what the eye is seeing
Cause Im in love with the inner being
And it doesn't't really matter what they believe
What matters to me is you're nutty-nutty-nutty for me

(You're so kind)
Just what I asked for, you're so loving and kind
(And you're mine)
And I can't believe you're mine

doesn't't matter what they say
Cause you know Im gonna love you anyway
doesn't't matter what they do
Cause my love will always be with you

My love for you unconditional love too
Gotta get up, get up
Get up, get up, get up and show you that
My love is true, and it's just for you, uh

doesn't't really matter what the eye is seeing
Cause Im in love with the inner being
And it doesn't't really matter what they believe
What matters to me is you're in love with me

doesn't't really matter what the eye is seeing
Cause Im in love with the inner being
And it doesn't't really matter what they believe
What matters to me is you're nutty-nutty-nutty for me

Nutty-nutty-nutty my love for you
I can't believe my dreams come true
I've finally found somebody whose heart is true
And best of all you love me to
And nutty-nutty-nutty my love for you
I can't believe my dreams come true
I've finally found somebody whose heart is true
And best of all you're nutty-nutty-nutty for me

Whoa, whoa, whoa, whoa, whoa, whoa, whoa, whoa

Whoa, whoa, whoa, whoa
Whoa, whoa, whoa, whoa, whoa, whoa, whoa, whoa
Whoa, whoa, whoa, whoa

Whoa, whoa, whoa, whoa, whoa, whoa, whoa, whoa
Whoa, whoa, whoa, whoa
Whoa, whoa, whoa, whoa, whoa, whoa, whoa, whoa
Whoa, whoa, whoa, whoa

Nutty-nutty-nutty my love for you
I can't believe my dreams come true
(He-he)
I've finally found somebody whose heart is true
And best of all you're nutty-nutty-nutty for me
Nutty-nutty-nutty my love for you
(I'm always doing that!)
I can't believe my dreams come true
I've finally found somebody whose heart is true
And best of all you're nutty-nutty-nutty for me
