I'm standing alone in a dark cold room  
Without you in my arms  
How could you turn away from me  
You tear my heart apart

My life was a lie before I met you  
A joke as you would say  
Believe in me I am trying to make it better

The love we had is hidden in your soul  
A place I want to be

I'd die here  
I'm dyin'

So many ways to fall out of love  
To step into the trap  
Where are you now 'cause I need you so  
No place on the map

My life was a lie before I met you  
A joke as you would say  
Believe in me I am trying to make it better

The love we had is hidden in your soul  
A place I want to be

I'd die here  
I'm dyin'

I'd die here  
I'm dyin'

I'd die here  
I'm dyin'

I'd die here  
I'm dyin'

I'd die here  
I'm dyin'
