Hey hey hey heya hey,  
I'm thinking about you, i'm a love shy baby  
Got to got to get together be strong  
'Cause our love will be coming  
And i won't be love shy anymore

Sometimes i run when i wanna stay  
It's all about life that we're living  
I just gotta watch what your scheming  
And when i see you i wanna hide  
A little afraid of the feeling  
One look at you boy and i'm dreaming

And deep inside there's a love calling out your name  
But i'm not the kinda boy who thinks its just a game we  
play  
Don't think that I don't wanna get involved with you  
It's all I wanna do won't you try to understand me

Hey hey hey heya hey,  
I'm thinking about you, i'm a love shy baby  
Got to got to get together be strong  
'Cause our love will be coming  
And i won't be love shy anymore

Try to be patient i know its hard  
Baby it's worth all the while  
With me its a slow kinda style  
And when you feel your intentions stray  
Remember that love is the reason  
The good things in life don't come easy

And though i spend a few saturday nights  
On the telephone when i could be touching your face  
For me emotion takes a mighty long time  
But soon the light will be shining,  
And i won't be love shy anymore

Hey hey hey heya hey,  
I'm thinking about you, i'm a love shy baby  
Got to got to get together be strong

'Cause our love will be coming  
And i won't be love shy anymore

Hey hey hey heya hey,  
I'm thinking about you, i'm a love shy baby  
Got to got to get together be strong  
'Cause our love will be coming  
And i won't be love shy anymore

I've be watching you watching me,  
And i know your on it,  
I'm a little love shy boy,  
So why dont you put your number on this paper,  
Maybe i will call you later,  
I need love i need trust,  
Anything you got boy its all good,  
I like it like that i like it like this,  
I know i'm shy boy  
But i know you'll like this,  
So take my number come on over be my soulja boy,  
And when you're over  
I will show you how you shout it boy

Hey hey hey heya hey,  
I'm thinking about you, i'm a love shy baby  
Got to got to get together be strong  
'Cause our love will be coming  
And i won't be love shy anymore

Hey hey hey heya hey,  
I'm thinking about you, i'm a love shy baby  
Got to got to get together be strong  
'Cause our love will be coming  
And i won't be love shy anymore
