Oh, listen baby
Ain't no mountain high
Ain't no valley low
Ain't no river wide enough, baby

If you need me, call me
No matter where you are
No matter how far

Just call out my name,
I'll be there in a hurry
You don't have to worry

Cause baby there
Ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you, babe

Remember the day,
I set you free
I told you you could always count on me darling

And from that day on,
I made a vow
I'll be there when you want me
Someway, somehow

Cause baby there
Ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you, babe

Oh darling
No wind (no wind)
No rain (no rain)
Or winter's cold
Can stop me, baby (no, no baby)
Cause you are my goal

Just send for me
Oh baby

My love is alive
Way down in my heart
Although we're miles apart

If you ever need
A helping hand
I'll be there on the double
Just as fast as I can

Ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
Keep me from you

Ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
Keep me from you

Don't you know there
Ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you, babe

Cause baby there
Ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you, babe

Cause baby there
Ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you

Cause baby there
Ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you, babe
