Verse 1:

Well I'm the type of guy that likes to ball
with girl and a couple of friends
in a den have a drink or two
and girl I'm all in for the night
cause see tonight
I'mma need it more than twice
maybe three a do for me
you see and we can go

Chorus:

all the way
starting today
I'm on my way
round your way
I got blaze
and your bottle of ze'
somebody say hey hey
(hey hey hey hey)

Verse 2:

Now I'm so glad that we set aside a day
a special day for us
just to chill and barbecue
and discuss the feelings we have
I know you have cause I can see
baby you ain't foolin' me
not today or any day I say
and we can go

Chorus:

all the way
starting today
I'm on my way
round your way
I got blaze
and your bottle of ze'
hey hey
(hey hey hey hey)

Bridge

Oh, I (3x)
(Girl I'm feeling you)
Oh, I (3x)

(I think I can deal with you)
Oh, I (3x)
(I'm really feeling you)
Oh, I (3x)
(I'mma be real with you)
Chorus (repeat until fade)
