They tell you this,
They tell you that,
With their fingers crossed behind their backs.
You're so different,
That's what you claim,
But all you guys are all the same.
If your an angel,
I don't see wings,
I think your after just one thing.

Uh huh (Uh huh)
Uh huh (Uh huh)
All my girlfriends they agree,
Uh huh (Uh huh)
Uh huh (Uh huh)
The truth comes out eventually.

Boys lie,
Must be something in the genes makes them say what
they don't mean
Boys lie,
They tell you what you wanna hear
Boys lie,
To them it's not a sin, just a game that they must win
Cross their hearts,
Hope to die,
Don't know why,
Boys lie.

Sometimes I like it,
But it all depends,
Its so nonchalant when you're with your friends.
Boys are diff,
They're not like us,
But you're the someone I can trust.
Cuz I don't want one of those guys,
Who kisses girls and makes them cry.

Uh huh (Uh huh)
Uh huh (Uh huh)
You say you love me, yes you do.

Uh huh (Uh huh)
Uh huh (Uh huh)
Cuz I wish every word was true.

Boys lie,
Must be something in the genes makes them say what
they don't mean
Boys lie,
They tell you what you wanna hear
Boys lie,
To them it's not a sin, just a game that they must win
Cross their hearts,
Hope to die,
Don't know why,
Boys lie.

Na-na-na, Na-na-na, Na-na-naaa, Na-na-na-na
Na-na-na, Na-na-na.
Cross you're heart and,
Hope to die.
Na-na-na, Na-na-na, Na-na-naaa, Na-na-na-na
Na-na-na, Na-na-na.

Say you're not the kind to kiss a girl and make her cry.
So why do...

Boys lie,
Must be something in the genes makes them say what
they don't mean
(Boys lie)Boys lie,
They tell you what you wanna hear (Oh Yah)
Boys lie(Boys lie),
To them it's not a sin, just a game that they must win
Cross their hearts,
Hope to die,
Don't know why,
Boys lie.

Boys lie,
Must be something in the genes makes them say what
they don't mean
(Boys lie)Boys lie,
They tell you what you wanna hear
(Makes them say what they don't mean, yah)
Boys lie,(Boys lie, they tell you what you wanna hear)
To them it's not a sin, just a game that they must win
Cross their hearts, (Oh Yah)
Hope to die,
Can someone tell me why?
Boys lie.

Boys lie,
Must be something in the genes makes them say what
they don't mean
(Boys lie)Boys lie,
They tell you what you wanna hear (Boys lie)
Boys lie,
To them it's not a sin, just a game that they must win
Cross their hearts,
Hope to die,
Don't know why,
Boys lie.
