"do do do do dood, do do do ,do do  
do do do do dood, always coca-cola (2x)

Wherever there's a pool there's always a flirt  
Whenever there's school, there'll always be homework  
wherever there's a beat, there's always a drum  
Whenever there's fun there's always coca-cola... yeah.

chorus

The stars will always shine, the birds will always sing  
As long as there is thirst, there's always the real thing  
Coca-cola is always the one  
Whenever there is fun, there's always coca-cola

do do do do dood, do do do ,do do (coca-cola)  
do do do do dood, always coca-cola (ooh, ooh, ooh)

do do do do dood, do do do ,do do (doo dood do do  
doooh)  
do do do do dood, always coca-cola (hey eh)

let the sun shine, let it shine.  
always, always... coca-cola  
oh always.
