(Verse 1)

In the dream ur on a ledge  
Underneath you lie your hopes  
For tommorow to get over this ledge  
You need a leapp of faith  
You waited your life  
Thought it out and now it's time to embrace it  
That your what your made of  
It's in your hands  
Your chance to take it

(Chorus)

Destiny is everything your made of  
Hiden behind what your most afraid of  
Destiny gives you the strength to stand your ground  
And you can't get lost here  
Your destiny [x4]

(Verse 2)

I was so terrified  
That I realized I owned this journey  
No matter where it leads  
You get a chance in your hands  
Take it!

(Chorus)

Destiny is everything your made of  
Hiden behind what your most afraid of  
Destiny gives you the strength to stand your ground  
Your destiny is found...

(Verse 3)

When your running around in circles  
(Trying to find out where you live)  
There's no other way for you to turn  
(That means your winning)  
No matter what just take control  
Cause when your gone nobody knows  
It's your deeeesstinyyyyyyy

(Chorus)

Destiny is everything your made of  
Hiden behind what your most afraid  
Destiny gives you the strength to stand you ground  
Your destiny is found [x2]  
Your destiny is found [x2]  
Yeah yeah.
