Disco Hippie Breakout, two thousand-00 purple  
pokemon knockin on my door  
So free now, I'm flippin trippin cartwheels in the breeze  
now,  
Like never before  
My life is so wild like a child in a candy store,  
It's the same so strange like a game or a boy  
You really get me going,  
You got me so I don't know what I'm doing

Disco hippie got his head in the sand  
Disco hippie got the world in his hand  
Suppa sonic technotronic machine  
Disco hippie you're da man

Tic toc, we all go crazy  
When the clock locks when plays our show  
Hip hop glow sticks and sour apple blow pops  
Make me outta control

Disco hippie got his head in the sand  
Disco hippie got the world in his hand  
Suppa sonic technotronic machine  
Disco hippie you're da man

Disco hippie got his head in the sand  
Disco hippie got the world in his hand  
Suppa sonic technotronic machine  
Disco hippie you're da man

Disco hippie got his head in the sand  
Disco hippie got the world in his hand  
Suppa sonic technotronic machine  
Disco hippie you're da man
