I pushed the life boat from the side.
I'm floating aimlessly but staying for the ride.
My hull has finally sprung leak.
I scoop the water but I'm starting to get weak.
Something he's changed.
Something is wrong.
Something is gone.
More waves than I have ever seen.
And each one gets bigger as I'm breaking at the
seams.
The storm that just won't ever die.
I'm in the ocean and there's nowhere left to hide.
Something he's changed.
Something is wrong.
Something is gone.
