He's a M.A.S.T.E.R
of disguise watch him change in front of your eyes
(He's a master)

He's a M.A.S.T.E.R of disguise

watchhim change in front of your eyes
Hes a master
master of disguise

He don't play
Changes faces everyday
The one who always saves the day
And no one can do what he can do
Make his move
Never meant to be a fool
Whenever in doubt
Just call up and shout

CHOURS:

He's a M.A.S.T.E.R of disguise watch him change in
front of your eyes
Hes a master master of disguise
He's a M.A.S.T.E.R of disguise watch him change in
front of your eyes
Hes a master master of disguise

Now who's down, who's back

(...)

Let me tell you a little story 'bout the guy behind da
mask

Use to get clowned so he had to change fast

Long tie bowed and threw a couple of jazz

But ya know that can change in a blink of the eye

Turn from a nerd to a nerdy guy

Now tell me now who else can act this fly?

He's a M.A.S.T.E.R of disguise watch him change in
front of your eyes

Don't compare him to them other guys

Cause four against him dog wouldn't be wise

He's a crime fighter

Keeping tha streets tighter
Even some people call him a night rider
Truth to the game and not for the fame
Common everybody lets scream his name

He's a M.A.S.T.E.R of disguise watch him change in
front of your eyes
Hes a master master of disguise
He's a M.A.S.T.E.R of disguise watch him change in
front of your eyes
Hes a master master of disguise

Cause he's da master of disguise
Aint gon' stop
Straight up until these fellas are put away and locked
so ladies and gentlemen do not fear
wherever there's crime MOD is near
((don't know...))
Maybe at first glance you got him goin insane
True for the game and not for the fizzle
c'mon everybody and scream his name..
