Oh, listen baby
Aint no mountain high
Aint no valley low
Aint no river wide enough, baby

If you need me, call me
No matter where you are
No matter how far

Just call out my name,
Ill be there in a hurry
You dont have to worry

Cause baby there
Aint no mountain high enough
Aint no valley low enough
Aint no river wide enough
To keep me from getting to you, babe

Remember the day,
I set you free
I told you you could always count on me darling

And from that day on,
I made a vow
Ill be there when you want me
Someway, somehow

Cause baby there
Aint no mountain high enough
Aint no valley low enough
Aint no river wide enough
To keep me from getting to you, babe

Oh darling
No wind (no wind)
No rain (no rain)
Or winter or cold
Can stop me, baby (no, no baby)
Cause you are my goal

Just send for me
Oh baby

My love is alive
Way down in my heart
Although were miles apart

If you ever need
A helping hand
Ill be there on the double
Just as fast as I can

Aint no mountain high enough
Aint no valley low enough
Aint no river wide enough
Keep me from you

Aint no mountain high enough
Aint no valley low enough
Aint no river wide enough
Keep me from you

Dont you know there
Aint no mountain high enough
Aint no valley low enough
Aint no river wide enough
To keep me from getting to you, babe

Cause baby there
Aint no mountain high enough
Aint no valley low enough
Aint no river wide enough
To keep me from getting to you, babe

Cause baby there
Aint no mountain high enough
Aint no valley low enough
Aint no river wide enough
To keep me from getting to you

Cause baby there
Aint no mountain high enough
Aint no valley low enough
Aint no river wide enough
To keep me from getting to you, babe
