Look at me and I'm alive
Just yesterday I could not survive
A certain something I can't describe
Now my whole world's changed, yeah
Now every street and avenue
Is leading me right back to you
I couldn't fight it if I wanted to
My heart's walking one way, yeah
Gonna show you how it comes to this
And listen now, and make a wish
Gonna show you how to make it last
You don't even have to ask
You found me
I've been waiting my whole life
Finally you found me
You'll never let me go
Since you found me
I can finally see the light
Now that you're around me
Baby you found me
It never happens the way you plan
One day you're down and the next you stand
Can't imagine there's a better man
You're more than I need, yeah
I see it there, it's in your eyes
For me you'd walk 'bout a million miles
Now I'm gonna make it all worthwhile
Follow me, yeah
Gonna show you how it comes to this
And listen now, and make a wish
Gonna show you how to make it last
You don't even have to ask
You found me
I've been waiting my whole life
Finally you found me
You'll never let me go
Since you found me
I can finally see the light
Now that you're around me
Baby you found me
You found me, yeah

I look at you, and it's so obvious
You took the key, for all to open up
And now you're here, your love is ever clear
And we can be, all that we wanna be
And we can be, all that we wanna be
And we can be, all that we wanna be
And we can be, all that we wanna be
And we can be, all that we wanna be
You found me
I've been wa
