CHORUS:

I love it when you're around  
Listen and feel the sound  
Flying away...  
And now that I'm all alone  
Who's gonna save my soul?  
You took my life...

I:  
You staring me down  
I wake up I'm lost  
I need you right now  
I need you the most  
Stay with me now  
Love me forever...

I'm ready for love,  
I'm ready for you  
I don't wanna hide,  
My feelings are true  
I wanna feel your body tight

CHORUS:

I love it when you're around,  
Listen and feel the sound  
Flying away...  
And now that I'm all alone  
Who's gonna save my soul?  
You took my life...

II:  
I'm falling under your spell,  
I'm not lying  
My heart is beating for you  
But is dying  
Why, why, why did you go?

I can not feel anymore than emotion,  
My heart is beating a silly slow motion  
Why, why, why did you go?

CHORUS:

I love it when you're around,  
Listen and feel the sound  
Flying away...  
And now that I'm all alone  
Who's gonna save my soul?  
You took my IÃfe...
