My skin is itching  
All I can do is scratch  
They keep on giggling  
Maybe I'm insane

'cause I refuse it  
They nearly got me down  
They're shaking their heads  
They feel that I'm insane

And does it matter  
Who is right or wrong  
I look for something

Before I go insane

To be like they say  
I lose my something grin  
And then I'll know  
What it is to be insane

I'm getting (fucking)older  
But still I'm hanging on  
The world gets weirder  
Or maybe I'm insane
