I'm gettin money, I'm balling hard
Hear them niggas hating on me cause they falling off
I'm gettin money, I'm balling hard
Hear them niggas hating on me cause they falling off
I'm gettin money, I'm balling hard
Hear them niggas hating on me cause they falling off
I ask you bitch, I'm balling here
Yeah it's my time... shine, cause... my audemar, my
audemar
Bust down, and iced out
Just hit the switch, that bitch be shining when the light's
out
Bust down, and iced out
Look at my wrist, that bitch be shining like a lighthouse

... I spit a verse, that's like a point
I do a show, that's like a joint
That's like a perv, oh nigga you ain't heard
I'm in a mission like...
Pull out in the maserati,
Got them bitches looking at me like I shot somebody
I'm stacking paper, I need that... ferrrari
Got them trying to claim a nigga...
My ap, cool as a ac
Look in the magazine, the same... as jay z
I'm getting money, nigga you straight flea...

I'm balling in this bitch like I gets my motherfucking
born day
... I just did a hundred show and never get...
And... we winning bitch, go check what the score say

I'm gettin money, I'm balling hard
Hear them niggas hating on me cause they falling off
I ask you bitch, I'm balling hard
Yeah it's my time... shine, cause... my audemar, my
audemar
Bust down, and iced out
Just hit the switch, that bitch be shining when the light's
out
Bust down, and iced out

Look at my wrist, that bitch be shining like a lighthouse
