[Meek mill]

Mmg nigga, chain all vs

I ain't with the bs

Catch me in the city riding hard through the bx

Skinny nigga, but I do it large like a 3x

The last nigga that tried to do me wrong, uhm he checked

Right back to that money slinging os in pj

I'm prolly catching milage while the pilot steady preject

Because we next and we flex like...

[Big sean]

Like 90px, working all night

No breaks or recess

Vroom, vroom

Yeah, I know my car sound like a t-rex

Bitch I'm 23 years old and I ain't riding in a prius

My cousin finished school

Can't believe he graduated

I through him 20 thousand dollars

Told his ass congratulations

Cause me, I wasn't made for that shit

But I could prolly hire him and who all paid for his shit

And to all the hoes that was dissing, I prayed to god that you see me

I'm on the yard getting hella high, smoking good, that seaweed

Bad bitch and her chacha, grabbing on her chee ches

Million dollars bills on my email

You mad ass hell you ain't cc'd

Chain all vs

Bitch you know it's bs

Boy I run my city

[Meek mill]

End of story, nigga ps

All white maybach

Green bay they pack

Y'all niggas was slackin

Yeah, but I'm all nice new track

And they say life's a game of chess

You can play checkers all on my jacket
Because it donny ya and rhymes away on all you pig
rappers
I say yeah nigga I murder that
Pen em ear and serve em back
Niggas say they want beef
Well well the fucks my burgers at
I got white, was serving that
I been to jail, ain't going back
I alley-ooped your bitch off that backboard
She throw it back
I slammed off in the pussy
Blake griffin'd your hoe nigga
Maybach with ricky ross my chain rock like I know jigga
That's cause I do hoe
Shout out to my new hoe
That pussy pink like nuvo
And I dogged that, khujo

[Big sean]
Niggas want talk
What they gone say
I hit the pedal til that muthafucka break
Freaky bitches love the money I make
And to live like this
You muthafuckas gotta pay
So let that shit burn
Let that shit burn
Let that shit burn
Let that shit burn
Gasoline,
The roof on fire, I'm only gettin' higher
50 racks all in my pocket, all the bottles
I'ma let that shit burn

[Big sean]
Bitch, I had one shot of na blunt
Ridin' til the wheels fell off and they tore it
I got green on top of green
Diamonds lookin' like I grew it
D-town, the hood behind me like a king cobra

[Meek mill]
Burn, bitch
I let it burn bitch
My money straighta than a motherfuckin' perm bitch
No navigation, you can see that is my turn shit
Shorty give me all that brain and still ain't never learn
shit

[Big sean]

Oh that's your girl,
Damn nigga you ain't learn shit
She naked in my studio
I'm on that howard stern shit
Yep, I swear that mack 10 is barbell
Finally famous, the cartel
Hit your girl in my whip and now that pussy got that new
car smell
Same shit, different day
I ain't broke no more, it's a different day
Don't turn me down, I got shit to say
My purp strong like it's lifting weights
It sean don, sippin' chandon I got a bitch with them

My roly don't tick tock, you shit sound like a time bomb
Booom...

[Big sean]
