If I had a wish baby I wish he never left you feeling like
this

'Cause I can feel your pain
But if you just could get over him
Maybe some wine will empty your mind
Girl I'm a make it better now can we
Dim the lights let's make a toast
That it will be alright

Chorus:

Cheers 2 U for givin' me a chance
I'll be your angel your guardian man
Cheers 2 U for givin' me a chance
I'll be your angel your guardian angel

I know we can win and you can depend on me
Through the thick and thin to the very end
I got your back so open up you heart and let me come
on in

And I'll be your king
(And you'll be the queen of my heart, and my soul, and
everything I treasure)
So let me ease your mind and let's make a toast
That it will be alright

Chorus

Bridge:

What a love (3x)
That's waitin' for you
What a love (3x)
Girl I adore you, I will be there
For the love everlasting
Baby I care for your needs
You can ask me
What a love (3x)
Thats waiting for you
What a love (3x)
Good love, I'll be there for the love celebration
We can go there anytime any moment

Chorus (fades to the end)
