(Outside)

Outside I lay tounge-tied
Oh help me escape now
Cause I'm gonna break down
And inside I'm confusing
Myself with these conflicting emotions
I'm on the brink of making commotion

And who told you to take your time?
Cause we got none
And we need some
Honey we can kiss
Keep a secret while I miss you
Everyday you miss the pain
Everyday I stay the same
Oh

Outside I lay tounge-tied
Oh help me escape now
Cause I'm gonna break down
And inside I'm confusing
Myself with these conflicting emotions
I'm on the brink of making commotion

And who told you to take your time?
Cause we got none
And we need some
Honey we can kiss
Keep a secret while I miss you
Everyday you miss the pain
Everyday I stay the same
Oh

(Outside
I lay tounge tied)

Outside I lay tounge-tied
Oh help me escape now
Cause I'm gonna break down
And inside I'm confusing
Myself with these conflicting emotions

I'm on the brink of making commotion

Myself with these conflicting emotions

I'm on the brink of making commotion (X2)
