You were the best thing summer gave me  
Better than silence and no school  
No curfew and no rules  
I was the last thing you expected  
To become part of your life  
To become part of your life

So sing this song  
While you drive home baby  
You drive home baby  
I will sing along  
From another country  
Another country  
And do doo cause the telephone  
And the planes and trains  
Won't let me go oh no  
Half the world and I will go there

And the when pollination starts  
In the spring time baby  
The spring time baby  
Can you knock out all the parks  
If I find time baby  
I'll find time baby  
And I have nothing to say  
Other than I love you  
And I'll stay if you want me  
If you let me I will go  
And if you let me I will

So sing this song  
While you drive home baby  
You drive home baby  
I will sing along  
From another country  
Another country  
And do doo cause the telephone  
And the planes and trains  
Won't let me go oh no  
Half the world and I will go there

If I admit I was wrong

In the right tone baby  
The right tone baby  
And pretend that I belong  
In the same room maybe  
The same room maybe  
And I have nothing to say about this  
I love you and I'll stay if you want it  
If you let me I will go  
And if you let me I will go

You were the best thing summer gave me  
So sing this song  
While you drive home baby  
You drive home baby  
I will sing along  
From another country  
Another country  
And do doo cause the telephone  
And the planes and trains  
Won't let me go oh no  
Half the world and I will go there

So sing this song  
While you drive home baby  
You drive home baby  
I will sing along  
From another country  
Another country
