Playalitical

Song: Anything (feat Jackie Rae)

Album: Code Green

Verse 1 [Playalitical]

I wana take ya hand
but ya hand wana take a band
we should walk jamaican sand and plan to make foot
prints
but your fam think im nothing but a hoodlum
guess they fail to realize you got a good one
yea I sag my pants and wear white TÃ's
and my boxers hang outta my jeans
they like why his truck got to have ten screens
how he getin all that money he aint got a degree
but when they see you they know the joy is radiant
they could pick your face out a bunch a people in a
stadium
they like playa aint ready you see the state he in
he always on tour and he got a lot of lady friends
but I aced you already placed you in a H2
my name on your bracelet and your waist to
I got a picture of your face on my left peck
you think its good now but you aint seen the best yet.

CHORUS: [Playalitical] We can go anywhere [Jackie
Rae] We can do anything [Playalitical] just be down for
ya daddy and keep it gangsta by any means. We can
go anywhere [Jackie Rae] We can do anything
[Playalitical] im always here for ya girl no matter what
the world brings/ [Jackie Rae] We can go anywhere
[Playalitical] we can do anything [Jackie Rae] Im down
for ya baby just keep it real by any means/ we can go
anywhere [Playalitical] we can do anything/ [Jackie Rae]
Im always down for ya boy no matter what the world
brings.

Verse 2 [Playalitical]

You did some gangsta love guru made me wana do
right
plus you stay down like fat girls in a food fight
remember when I was bangin units off a 38th and zuni

you'd swing on a bitch to let her know about the new
guy
the reason why I do things/ why my 22s swing
is you look I changed the color on your mood ring
yea we tight we like this we like shoe strings
we should get matchin uzis and then persue our hoop
dreams

you became a starter when my team was hella crowded
when I was on probation you was hella bout it
I kept a chip on my hip but you wouldn't allow it
its to the point now shit im leavin home without it.

CHORUS: [Playalitical] We can go anywhere [Jackie
Rae] We can do anything [Playalitical] just be down for
ya daddy and keep it gangsta by any means. We can
go anywhere [Jackie Rae] We can do anything
[Playalitical] im always here for ya girl no matter what
the world brings/ [Jackie Rae] We can go anywhere
[Playalitical] we can do anything [Jackie Rae] Im down
for ya baby just keep it real by any means/ we can go
anywhere [Playalitical] we can do anything/ [Jackie Rae]
Im always down for ya boy no matter what the world
brings.

Verse 3 [Playalitical]
Ya see a whole lot of mamis made a whole lotta dram
so I dropped em off the roster and bought you a boxter
on duces o saucers like you looking like a mobster
put you in the tip of the flame got you an Oscar
we need to go somewhere hot maybe to Tahiti
You could wear your flip flops with your new bikini
grand marnier on the rocks eyes low wit a beanie

help make way for the Illuminated Platoon
Weve gotten real close/ we all on zoom
introduce me as playa betta yet meet the groom.

CHORUS: [Playalitical] We can go anywhere [Jackie
Rae] We can do anything [Playalitical] just be down for
ya daddy and keep it gangsta by any means. We can

[Playalitical] im always here for ya girl no matter what
the world brings/ [Jackie Rae] We can go anywhere
[Playalitical] we can do anything [Jackie Rae] Im down
for ya baby just keep it real by any means/ we can go
anywhere [Playalitical] we can do anything/ [Jackie Rae]
Im always down for ya boy no matter what the world
brings.
