CHORUS:

Celebrate everyday
The west has been so good to me
So good that I cant complain
Blow the bomb serve a lump blow a pump you can have
it
Homie you best get your cabbage
Cuz over here our side is active

Verse 1 [Playalitical]

Born in Denver raised in the windy
To the homies that smoke litical is the pillow boy
Moved back from Illinois back to the d town
Copped me a Bel Air started blowin cylinoids
Started makin hella noise
Snoop and JT said the business is mandatory
So its mandatory that I cop more than I need
so I stay stocked on my inventory
"Playalitical" people wana end the story
'maybe cuz they own book didn't print the grip and
glory
Moved cannabinoids got sick of the snorty
Got that doo wop kick that el stick to your 40
"Yeah" The price has no mercy
It goes up out east I might blow up in New Jersey
If I had one wish wish we could grow more worthy
If there was no limit I'd blow up like Percy. You dig it

CHORUS:

Celebrate everyday
The west has been so good to me
So good that I cant complain
Blow the bomb serve a lump blow a pump you can have
it

Homie you best get your cabbage
Cuz over here our side is active

Verse 2 [Domino}

Hey, now this ya O.G.
Them stomping grounds LBC
If im loco I go O.T

Ghetto bound they all know me
West coast sure been good to me
Home of the riders and tripple gold D's
Home of the players that smoke the best tweed
Home of the ladies that got the best knees
Girl get that cheeze
It's a brand new day Hit a corner on M.L.K
Wit a crew so gangsta like apair of them chucks
Chill Will Lee Lee and luck we the business
So don't be fucking with the change
We switch lanes and hit you with the bang
You aint heard it from me so how you figure though
The big 6 boy with the homie Playalitical.

CHORUS:

Celebrate everyday
The west has been so good to me
So good that I cant complain
Blow the bomb serve a lump blow a pump you can have
it
Homie you best get your cabbage
Cuz over here our side is active
