Verse 1 [Playalitical]
She do it like she know how to do it
And when she do it she do it well
She make it look easy on the dance floor
Everybody here wana ring her bell
All the preety boys on her but she aint feelin that
She need a gangsta don't you see
She could freak anybody under this here roof
But she know better so she come choose me
She want a dude that got that work goin on
She need a man that got that swagger
She tired of goin around playin duck duck goose
She want a big big zip lock bagger
And I cop cop it break it down
Into little bitty zips let it move around
She love playalitical and everything I say
She bout to boot up right now and work for daddy all
day

CHORUS: [Olinda Cordova]
Ooh I know you want my body
Lose no time and lets get naughty
You make met hot hot hot
Im about to lose control

Why you panicking

When I got that panoramic plan
That man you standing by's a scam
From Kazakhstan a fan of manikins
Wit man pieces
I know jelly shakes so you aint jam
You autta leave this place with me in hand
At the speed of spam my mouth peice can can you
Cant you see I am
The one to watch you climb up on that poll
You tired of goin around doin charity dances right
" I I know"
Im the one she wants she want the one wit mumps
In the pockets boo money that will last for months
And if I touch her once she mite turn to stone
Cuz a player goes hard wit his flirting tone.

Hey Mr DJ play my favorite song
That will turn our bodys dancing all night long
"Dancing dancing all night long
Long long dancing all night long long" All night long
Get the party started with my favorite song
So me and my baby can rock it all night long
Let the beat take ovey you
don't hold back just let it go.

All of my life I've waited for someone like you
You
Everythings changed I'll never be the same because of

You

My feelings getin stronger and stronger boy
I feel the heat all over me
When you put your hands on me
You make my body feel weak.

CHORUS: [Olinda Cordova]

You make met hot hot hot
Im about to lose control
