Spending all my nights
All my money going out on the town
Doing anything just to get you off of my mind
But when the morning comes
Iâ€™m right back where I started again
Trying to forget you is just a waste of time
Baby come back
Any kind of fool could see
There was something in everything about you
Baby come back
You can blame it all on me
I was wrong and I just canâ€™t live without you
All day long
Wearing a mask of false bravado
Trying to keep up a smile that hides a tear
But as the sun goes down
I get that empty feeling again
How I wish to God that you were here
Baby come back
Any kind of fool could see
There was something in everything about you
Baby come back
You can blame it all on me

I was wrong and I just canâ€™t live without you
Now that I put it all together
Give me the chance to make you see
Have you used up all the love in your heart
Nothing left for me
Ainâ€™t there nothing left for me
Baby come back
Any kind of fool could see
There was something in everything about you
Baby come back
Listen baby
You can blame it all on me
I was wrong and I just canâ€™t live without you
I was wrong
And I just canâ€™t live
Baby come back
Oh baby
Any kind of fool could see

There was something in everything about you
Baby come back
You can blame it all on me
I was wrong and I just can't live without you
