Some things got a hold on me something deep inside.  
I know that I should try to run but I feel my hands are  
tied.  
I don't know where you came from, but you found your  
way to me.  
I don't even want to be set free.

Woman black as coal sister to the night,  
Stroke my body touch my soul make me feel alright  
I don't know just what you want, but you got your mark  
on me  
It's become so very plain to see

Chorus

I'm a prisoner of your love  
I don't wanna be set free  
I'm where I wanna be, yeah  
You're the keeper of my soul,  
You got complete control  
Lock the door and throw away the key, yeah.

Every night I feel the love flowing through my veins.  
I know my body's free to leave  
But my heart's tied up in chains  
Girl, you've got the best of me,  
Don't know what to do  
Might as well resign myself to you

Chorus

Let me be the only star of your fantasy  
It took me time to realize I'm where I wanna be  
Safe inside your paradise leave the world behind  
I'm just a prisoner of your love

I'm a prisoner of your love  
I don't wanna be set free  
I'm where I wanna be, yeah  
You're the keeper of my soul,  
You got complete control.
