If you could learn to love me  
Like you love to spend my money,  
Baby, ooh.  
Some things are better left unsaid.

If you could force yourself to laugh  
When my jokes ain't so funny,  
Baby, ooh.  
Some things are better left unsaid.

Cause when there's nothing comin' in,  
And it's all goin' out.  
Love has gotta find a way to get better. (Get better  
baby)  
When you never seem to win,  
Gotta take another route.  
Love has gotta find a way to get better.  
Mmm-mmmm...

If you would just believe in me  
Like you believe in all that luxury.  
Some things are better left unsaid.

If you would only realize  
It's not the way you use it,  
It's the size...  
Some things are better left unsaid.

When there's nothing comin' in,  
And it's all goin' out.  
Love has gotta find a way to get better. (Sooner or later  
it's gonna get better)  
When you never seem to win,  
Gotta take another route.  
Love has gotta find a way to get better.

There's so many things I want to say locked up inside  
my mind,  
If they ever see the light of day I'm sure that you would  
find,  
There's a man who wants to love you, wants to give you

all he's got.  
But you're too busy lookin' at yourself.

When there's nothing comin' in,  
And it's all goin' out.  
Love has gotta find a way to get better.  
When you never seem to win,  
Gotta take another route.  
Love has gotta find a way to get better.

I said love has gotta find a way to get better.

Love. (Love has gotta find a way to get better.)  
Love! (Love has gotta find a way to get better.)  
Said love! (Love has gotta find a way to get better.)...
