Gentle lover, you were
Always true.
It would take a fool like me to
Do the things I do.

I have loved you like a gambler,
Learned I can lose.
Built my own gallows,
Put my head inside the noose.

Take me back.

I've been sailing over
Troubled water.
Heard the call of the
Siren's daughter.

But I'm burning my bridges.
Time to get smart.
If there's a chance for me
Open up your heart.

Take me back.

Take me back.
Take me back.
To a time when we were one.
I really need you now.
I really do.
Take me back.

Take me back, baby.

Take me back.
Take me back.
To a time when we were one.
I really need you now.
I really do.
Take me back.

Take me back.

Take me back.

Take me back.
