CHORUS:

There is no one else that I can say this to..
And there is nothing better than to talk to you.
If you have a problem, I'll be here for you.
'Cause girl you'll always know that it's us against the world.

VERSE 1:

I met someone the other night.
Someone I really started to like.
How will I know if he's right for me?
I wonder if we are meant to be..

Don't start to like him too much, too soon

CHORUS:

There is no one else that I can say this to.
And there is nothing better than to talk to you..
If you have a problem, I'll be here for you.
Cause girl you'll always know that it's us against the world.

VERSE 2:

You know that boy I started to see?
He thinks he can have it all for free.
I wonder if he's still one for me?
I try to talk to myself and to see..

Don't start to like him too much, too soon.

CHORUS x2:

There is no one else that I can say this to.
And there is nothing better than to talk to you..
If you have a problem, I'll be here for you.
Cause girl you'll always know that it's us against the world.

BRIDGE:

Whenever you're near there is no fear.
It feels like there's nothing I can't do.
You make me feel strong
cause it's here with you that I belong.

BRIDGE 2:

There is no one else that I can say this to.
(oooohhh yeah)
And there is nothing better than ayo talk to you
(there's nothing better)
If you have a problem I'll be here for you
(for you ohohoh)
Cause girl you always know that --

There ain't nobody else but you
that makes me feel the way that I do.
There ain't nobody else but you.
It's us against the world.

CHORUS x2:

There is no one else that I can say this to.
And there is nothing better than to talk to you.
If you have a problem, I'll be here for you..
(if you have a problem tell me)
Cause girl you'll always know that it's us against the
world.
(Oh, you know I'll be there)
