Everyday when I wake up I mess up my monster bed Then I go in the shower And pour mustard on my head

I put on clothes I've already worn All my dirty clothes are much more fun For my [Incomprehensible] My day is just began

Get up and go, go, go, get up and go, go, go It's time for us to play Get up and go, go, go, get up and go, go, go It's the way we start our day

I think of monster activities
To keep me busy all day long
Then I turn on the TV
It's time to sing along to this monster song

Get up and go, go, go, get up and go, go, go It's time for us to play Get up and go, go, go, get up and go, go, go It's the way we start our day

Get up and go, go, go, get up and go, go, go It's time to find our way Get up and go, go, go, get up and go, go, go It's how we start our day

It's the way we start our day It's time for us to play
