I believe in you
I hope you see it in the way that I move
People around get lost on the road
But we're better than that I know

Coz I found love
Yea believe it or not
Well I found love
Yea believe it or not
Not because of what I did but because of what you did
Not because of what I did but because of what you did

Coz I,
I don't wanna go back again
Coz lately, I've been drowning here
And I don't wanna go back again
I don't wanna go back again

I found love
Yea believe it or not
Well, I found love believe it or not
Not because of what I did but because of what you did
Not because of what I did but because of what you did

Coz I,
I don't wanna go back again
Coz lately, I've been drowning here
And I don't wanna go back again

Oh no no no

Coz lately I've been drowning here
And I don't wanna go back again

Don't wanna go back
Don't wanna go back
Don't wanna go back
I don't wanna go back

I don't wanna go back again

If I go back

Will you find me
If I go back
Will you find me
Will you find me
Will you find
Oh will you find me
Will you find

And I,
I don't wanna go back again
Coz lately, I've been drowning
I don't wanna go back again
