Taking everything I know
And put it into action
It's a war out there I know
But I'm crippled by distraction

On my own
I know what I'd do
On my own
I'd be leaning on You
On my own
It's safe to say
I need strength to go
Strength to go on

Taking everything I know
And put it into action
It's a war out there I know
But I'm crippled by distraction

On my own
I know what I'd do
On my own
I'd be leaning on You
On my own
It's safe to say
I need strength to go
Strength to go
Strength to go
Strength to go on

[Instrumental]

On my own
I know what I'd do
On my own
I'd be leaning on You
On my own
It's safe to say
I need strength to go
Strength to go

On my own

I know what I'd do
On my own
I'd be leaning on You
On my own
It's safe to say
I need strength to go
Strength to go
Strength to go
Strength to go
Strength to go
Strength to go on
