My silver umbrella  
I like it a lot  
A lot lot lot lot la-la-lot lot

My silver umbrella  
I like it a lot  
A lot lot lot lot la-la-lot lot

I like my silver umbrella a lot  
But not as much as i like men  
Because I like men like twice as much as  
Silver umbrellas

My silver umbrella  
I like it a lot  
A lot lot lot lot la-la-lot lot

My silver umbrella  
I like it a lot  
A lot lot lot lot lot lot lot lot lot lot  
I like it a lot!
