[Chorus (2x)]

I know you caught me cheatin and you tired me lyin
I'ma be honest witcha baby I know I crossed the line
You don't wanna fuck wit me no mo then cool, its fine
Before you go baby can we fuck one mo time

(1st verse)

I know I fucked up and sorry ain't what you wanna hear
But I can't change that shit dawg, it is what it is
And you can go fuck another nigga if that's how you
feel
If that's gone make you feel better then gone and do it
hell
You asked me bout the lil panties shit and I kept it real
Know that shit probably hard for you to swallow still
And I ain't know how bad I hurt you til I seen yo tears
And I ain't askin you to accept how a nigga live
You feel another nigga could treat better then that's
what it is
But let the truth be told been my pussy for years
Now you got all ya lil homegirls all up in ya ear
Just lets fuck one mo time before ya dip

[Chorus (2x)]

(2nd verse)

I know its probably best for us to go our separate ways
Cause I know me I'ma fuck up again anyway
But in my muthafuckin heart nigga want you to stay

Cause once you fuck up the shit could never be straight
I'm dead ass wrong that's why ain got shit to say
I know you think a nigga ain't give a fuck anyway
I just had to fuck ya good the other day
And how that pussy was bitin shit ain wanna escape
You rode that dick so long until you started to shake
And I can tell when you was nuttin I see it in yo face
I'ma miss fuckin ya from the back and how I grab ya

waist
And most of all I'ma miss how that pussy taste

[Chorus (2x)]

(3rd verse)

It ain't another nigga who gone fuck ya like I do
You talk that shit all you want but bay you know its true
I fucked up, I said I'm sorry, now its on you
You play stupid and give me away if you want to
You say fuck it, its over then I guess we threw
I know if I caught you cheatin I probably cut you loose
Don't get it fucked up ain tryna tell you what to do
Whatever decision you make I got to live wit it
Whatever yo answer is jus make sure you can deal wit it
But if we do break up I'ma keep tryna get it
The shit we goin through right now is real silly
Cuss me out and lets fuck bay and gone kill it

[Chorus (2x)]
