I'm on some other shit
I'm dressed in all black
I'm wit my niggas them
And all of us strapped
We on dat killing shit
Somebody getting wacked
You know I mean business
When I'm in all black
(REPEAT)

It ain't no faking nigga
You see the gear I'm in
Baby 9 on me
Easy to cuff it then
I feel invisible
I'm on dat cup of Hen
Extended clip in dis bitch
It shoot more than 10
Put on that black tee
Took off that polo man
Try to slide on me
And I'ma spray your ass
And in my back pocket
I keep that black mask
And let him run down
I bet I flip his ass
I'm riding tinted windows
No more clear glass
One thing about me nigga
You know I don't flag
I keep one in the head
No time to cock it back
You know I mean business
When I'm in all black

I'm on some other shit
I'm dressed in all black
I'm wit my niggas them
And all of us strapped
We on dat killing shit
Somebody getting wacked
You know I mean business

When I'm in all black
(REPEAT)

Heard it's some pussy niggas
Round here who talking stupid
You niggas playing gangsta
Who you think you fooling
You must not know me nigga
If you did you know I'll pull it
Murk something on site you know I'll fuckin do it
Put stacks on niggas heads

You know ain't nothing to it
I got some young niggas
Who love Jordans stupid
And for a stack nigga
They'll leak your body fluid
For 25 hundred they'll get real stupid
Shoot edges for 30 days
Nigga with that fuckin oozie
These niggas terrorize
Until I tell em cool it
Thanks to you fuck niggas
You know I keep that toolie
I'm dressed in all balck
Just like a scary movie

I'm on some other shit
I'm dressed in all black
I'm wit my niggas them
And all of us strapped
We on dat killing shit
Somebody getting wacked
You know I mean business
When I'm in all black
(REPEAT)

Just had a dream dog
Killed my first rap nigga
I hit em wit that yappa
Was such a sad picture
I let that yappa go
Hit him wit 5 quick ones
All head shots
Shoot nothing but missiles
R.I.P dog
Rest in peace pussy nigga
I prefer yappas
Them bullets get there quicker
I been attracted to em
Ever since I was little

I'm dressed in all black
Just like a fucking killer

I'm on some other shit
I'm dressed in all black
I'm wit my niggas them
And all of us strapped
We on dat killing shit
Somebody getting wacked
You know I mean business
When I'm in all black
