Hook:

Not like that baby mama pussy, know how to f\*ck pussy  
Stay trial nigga but she got some good pussy  
And I like that baby mama pussy, all the drama pussy,  
I cool sometime that baby mama pussy  
And I like that baby mama pussy, baby mama pussy,  
Unstrapped, uncut that baby mama pussy  
And I like that baby mama pussy, baby mama pussy,  
Tap you see sometime that baby mama pussy

She cool where she wanna be tap you shit all way  
Always with the fuck shit she ain't pulling always  
Argue with everything, jump with it sometimes  
She's going to talk too crazy, fuck that I ain't slide,  
All we got the attitude, real slick the ass small  
Always assuming shit, never know what she talking  
bout  
I hang upon that ass quick, 'cause I'll be cost the...  
side  
That pacing shit I ain't got, I drop cash talking bout  
One thing I can't say that mother fucking bite dough  
When it come to that best shit, that motherf\*chin got it  
dough  
I ain't gotta tell the shit, 'cause she already know  
She know what a nigga like, and I know how to pay the  
dough

[Hook:]

Parkin lot of hoe, be a lot of bad bitches  
I f\*ck hoe to death, 'cause all I like to kick it  
When a nigga beat em right, down the whole can't  
feeling  
When the feeling get involved that when I stay with  
distance  
I love get money, only thing about precision,  
I love money more, but I still f\*ck the bitches  
I'm always in the streets, but I never f\*ck the stitches  
I'm always in the kitchen, but I never do the distance  
I ain't with the baby mama drama never had that  
before

Then fail for a cope alone, but never love the hoe,  
My tack right in my cash up, so I don't have no wish  
That baby mama pussy though have a nigga trial to kill  
you
