Boy I got a plan to get my momma up out the ghetto.
Been thinkin bout this shit dog ever since that I been

Got shit on my mind. Should I fuck round with them
kilos.
Should I round up all my niggas, and go pull me a get
go
Should I lay off in them bushes. Should I Fuck round wit
them cookies.
Should I toke out wat these fuck niggas. And take some
from these pussies.
What I move on they mine but should I keep on lookin.
I ain't gon answer that, but I damn sho got some
cookin.
I'm stayin up late, I'm wakin up early.
I'm comin up with it. And you ain't got to worry.
I'm staying little keys. But best believe I'm searchin.
And bitch I know imma get it. Cause bitch I know I

Aint gon tell ya how Imma get it
Ain't gon tell ya when.
Believe me when I tell ya boy I got a plan

[Verse 2]

Nigga always told me I had a million dollar mind.
Only thing left was to get a million dollar grind.
First time I ever got a Vick I took that as a sign.
I told myself what the fuck imma do, one don't need a
crime.

I said dat shit wasn't gon happen no mo', and I don't
believe in lyin
I'm trying to move forward, ain't tryin to rewind,
I care all about the money, don't Give a fuck about the
shine.

I told myself go be a stunna and get up off the pine.
I feel like any nigga doin it in the middle of his prime.
Can't depend on other nigga. I got to use my mind.
This money shit ain't easy. That's the hardest shit to
find.

And niggas who ain't have a plan be the niggas caught
all the time.

[Chorus]

Boy I got a plan.
Yeah I got a plan.
Believe me when I tell ya.
Imma get this cash.
Aint gon tell ya how Imma get it
Ain't gon tell ya when.
Believe me when I tell ya boy I got a plan

[Verse 3]

Eyes on the cover think I'm watchin shit evolve.
I'm trying to find out how the fuck to get involved
I'm watchin who is making money. I'm watching who
done lost.
I'm watching who keppin they mouth closed; I' m
watchin who done talked.
I'm watching all these niggas doin the same wit these
hoes
When that green shit involved, (inaudible) anything
goes.
That's how money come up short; that's how shit get
stole
That's the main fuckin reason that I'm dolo.
Push my mind to the limit I'm thinkin twenty-four eight.
Nigga I wake every morning thinkin how can I get
straight.

And if it ain't about the cash right now it gotta wait.
And if my plan go wrong, fuck it. Set my court date
bitch.

[Chorus]

Boy I got a plan.
Yeah I got a plan.
Believe me when I tell ya.
Imma get this cash.
Aint gon tell ya how Imma get it
Ain't gon tell ya when.
Believe me when I tell ya boy I got a plan (repeat 2x)

[Outro]
