Let me bring you in my world, and let you know what i
call my lil bust it baby

Ne-Yo

She got me speedin' in the fast lane

Pedal to the floor mayne, tryna get back to her love

Best believe she got that good thang

She my little hood thang, ask around they know us

You'll know that's mine...

Everybody know that's mine..

Everybody know thats mine..

{Plies}

If i wasn't married to the streets, it'd be you

Yo lips what make you so cute

Love when you poke yo mouth out when you mad too

Save your number in my phone under Lil Boo

Like your sex but more love what cha do

Turn me on how you stare at me when we through

When you give it to me, i don't wanna turn ya loose
Scared to moan around you, alls i can say is "Ooh"
My favorite panties of yours the ones that see-through
One wit the pink trim on 'em and they light blue
Speakin' for the goons, thank god for makin' you
BUST IT BABY is what i call you

Ne-Yo

She got me speedin' in the fast lane
Pedal to the floor mayne, tryna get back to her love
Best believe she got that good thang
She my little hood thang, ask around they know us
You'll know that's mine..

Buuust it... baaaaaby

Everybody know that's mine..

buust... baaaaaby

Everybody know thats mine

Ne-Yo

They say he's [an entertainer]?, slow down
you're just one more, he don't respect you
He just gon' hurt you, and neglect you
Well they gon' say what they wanna, yeah
I made a promise, to do you right and i'm gonna
Girl i'll do everything i can, proove i'ma better man
Than your friends think i am

Ne-Yo

She got me speedin' in the fast lane

Pedal to the floor mayne, tryna get back to her love

Best believe she got that good thang

She my little hood thang, ask around they know us

You'll know that's mine..

buuuust it... baaaby

Everybody know that's mine..

buust it... baaaaaby

Everybody know thats mine

I juss gave her a nick name, it's wet-wet

Cause when we finished she mess up all the bedsets

She got sommin' to relax me when i'm under stress

Never told her, but to let her know it but she the best

She like to spell her name wit her tongue on my chest

If you had told me it was this good, i'da never guessed

She full of surprises, i don't know what she'll do next

But while she sleep i sneak and put hickies on her neck

And when she go out, she shut down the whole set

love to see her in heels wit the slit in her dress

She like to do her own hair and get her own checks

My BUST IT BABY i keep 'er on deck

{Ne-Yo}

She got me speedin' in the fast lane

Pedal to the floor mayne, tryna get back to her love

Best believe she got that good thang

She my little hood thang, ask around they know us

You'll know that's mine..

Buuuuust it baaaaby

Everybody know that's mine..

BUST it Baby... ba bay bayyy

Everybody know thats mine"
