Bruh, I do not fuck wit alotta niggas, bruh  
They see me, they gon' see me solo bruh  
These pussy ass niggas out here too creep for me,  
bruh  
These niggas is not gon' state me, bruh  
Y'all call them niggas y'all homeboys  
Crank call y'all organization

Stay in my own lane, mind my own business  
Hit my own licks and get my own pennies  
Keep these niggas from round me 'cause I ain't  
friendly  
You'll never slide up under me and be my co-  
defendant

I stay in my own lane, mind my own business  
Hit my own licks and get my own pennies  
Keep these niggas from round me 'cause I ain't  
friendly  
You'll never slide up under me and be my co-  
defendant

Time to do business, drop niggas off  
Never run to them crackers on me 'bout what ya saw  
Never snake me, and get me knocked off  
Niggas like hoes, love to run they fuckin' mouth

Speak to them in the streets, won't bring them to my  
house  
I don't trust neither bitch, north or the south  
Won't be around me tryna scope it out  
That supa friendly shit ain't about

I don't know him, keep him from round me  
Tryna peep somethin'? What you tryna see?  
Never get that close to find out where I be  
I don't know that nigga, get him from 'round me

Stay in my own lane, mind my own business  
Hit my own licks and get my own pennies  
Keep these niggas from round me 'cause I ain't  
friendly

You'll never slide up under me and be my co-defendant

I stay in my own lane, mind my own business  
Hit my own licks and get my own pennies  
Keep these niggas from round me 'cause I ain't friendly  
You'll never slide up under me and be my co-defendant

Niggas come around, guess what? I stop talkin'  
Holla at chu niggas later, grab my shit and start walkin'  
Fuck that shit, I done seen too much  
It seem niggas scope niggas and gettin' niggas touched

Get in friends wit niggas, turn 'round and set 'em up  
Even my own dawg talk to 'em 'bout certain stuff  
My own friends come around, nigga I hush  
Outside of court rooms nigga I done seen enough

Time to get money, I'm so loyal  
Four deep doin' business, that's a no-no  
'Cause what a nigga thinkin', you will never know  
But do my own time nigga, if I have to go

Stay in my own lane, mind my own business  
Hit my own licks and get my own pennies  
Keep these niggas from round me 'cause I ain't friendly  
You'll never slide up under me and be my co-defendant

I stay in my own lane, mind my own business  
Hit my own licks and get my own pennies  
Keep these niggas from round me 'cause I ain't friendly  
You'll never slide up under me and be my co-defendant

I fuck wit no nigga who got a lotta friends  
'Cause you never know, who that nigga want to win  
You vibe wit too many niggas you spread yourself thin  
And them the type of niggas know everybody business then

Nigga too friendly, no tellin' who he wit  
You niggas fuck wit any nigga you can't do it big  
Guaranteed you will never slide up under kid  
I keep my eyes open and my fire hid

That's how I stay away from all the fuck shit  
I gotta couple homeboys but I don't run wit clique  
The least a nigga know the less he can snitch  
I run solo so I don't have to kill a bitch

Stay in my own lane, mind my own business  
Hit my own licks and get my own pennies  
Keep these niggas from round me 'cause I ain't  
friendly  
You'll never slide up under me and be my co-  
defendant

I stay in my own lane, mind my own business  
Hit my own licks and get my own pennies  
Keep these niggas from round me 'cause I ain't  
friendly  
You'll never slide up under me and be my co-  
defendant
