Just hit me a lick finna blow a check
Got stacks on me goons on deck
Finna slide through tha strip club and make a mess
I no want that hoe, I want dat bitch

Just hit me a lick finna blow a check
Got stacks on me goons on deck
Finna slide through tha strip club and make a mess
I no want that hoe, I want dat bitch

I got a stack in every pocket, pistol on waist
Liquor in my hand, no smile on my face
Hand full dat shit, I'm finna throw away
Finna ball, been countin' money all day

Lil' boy move, big boy finna play
Blow dis shit, en' nuttin but paper any way
Nuttin' nigga, money fuck nigga any way
Nigga slip and dun took it, all I'mma say

Nigga lame, he a rookie, nigga okay
Finna snatch me a hoe, spend it on bay
Got fire on me, fuck it I'mma parlay
Now I'm lookin' for da right hoe I'mma slay

Just hit me a lick finna blow a check
Got stacks on me goons on deck
Finna slide through tha strip club and make a mess
I no want that hoe, I want dat bitch

Just hit me a lick finna blow a check
Got stacks on me goons on deck
Finna slide through tha strip club and make a mess
I no want that hoe, I want dat bitch

To all money gon' nigga, fuck it I'mma hang
If she bad and she fuck it, I'mma blow change
Ain't got to, I'mma fuck on my name
Trying to fuck some, got time to run game

Tell how lil' mama aight that she fuck lames
When I'm throwing my paper nigga i'nt aim

But let her play with this shit I want the real thang
Slip and fall off all this money

I'm the blame if she sweet
She gon' fuck around and get trained
Psop got me off the chain
Ain't no cuffin' going on, these hoes got game
Got stacks of this shit no chump change

Just hit me a lick finna blow a check
Got stacks on me goons on deck
Finna slide through tha strip club and make a mess
lono want that hoe, I want dat bitch

Just hit me a lick finna blow a check
Got stacks on me goons on deck
Finna slide through tha strip club and make a mess
lono want that hoe, I want dat bitch

Red Cross be the lit, so time it's to ball
First thang I did was grab my dog
Fuck being on the block, put it on pause
First thing I hollered, ?Take me to the mall?

Fuck what you talking 'bout, trying to blow it all
Spend some on the hoe, some on my dog
Nigga told me fo' you walk you gotta crawl
Now, this lit go me, hit got me standing tall

One round fo' I got it, fuck all y'all
Just grab me some diamonds, no flaws
Got a rule over here, nigga, nothin' small
I want dat bitch right there, no problems

Just hit me a lick finna blow a check
Got stacks on me goons on deck
Finna slide through tha strip club and make a mess
lono want that hoe, I want dat bitch

Just hit me a lick finna blow a check
Got stacks on me goons on deck
Finna slide through tha strip club and make a mess
lono want that hoe, I want dat bitch
