I feel like fuckin'  
I feel like fuckin'  
I feel like fuckin'

I'm just in one of them moods, I feel like fuckin'  
Wanna lay up in somethin' wet and punish somethin'  
I want a nice lil' baby who ain't got on nothin'  
I got a taste for some pussy, I feel like fuckin'

I'm just in one of them moods, I feel like fuckin'  
Wanna lay up in somethin' wet and punish somethin'  
I want a nice lil' baby who ain't got on nothin'  
I got a taste for some pussy, I feel like fuckin'

Ate pussy in the shower for the first time last week  
I got a confession to make to the world, I'm a freak  
I think about wet pussy, all in my sleep  
My fantasy is to get caught fuckin' on the beach

The best pussy you can get is when you gotta sneak  
I call my lil' baby a shooter; when she nut, she skeet  
If I had my choice of how I'ma die, I'd be in some  
pussy, beatin'  
Bammin' pussy, then leave and cause a nigga  
cheatin'?

My baby sore, 'cause I done fucked her twice this  
evenin'  
Said I fuck her so good, it feel like she dreamin'  
Got her playin' wit' herself for no apparent reason  
Need some more of that pussy 'cause a nigga feenin'

I'm just in one of them moods, I feel like fuckin'  
Wanna lay up in somethin' wet and punish somethin'  
I want a nice lil' baby who ain't got on nothin'  
I got a taste for some pussy, I feel like fuckin'

I'm just in one of them moods, I feel like fuckin'  
Wanna lay up in somethin' wet and punish somethin'  
I want a nice lil' baby who ain't got on nothin'  
I got a taste for some pussy, I feel like fuckin'

All this liquor keep me horny than a motherfucker  
Just text bay and ask her could I come fuck her  
Only yak here, but shit, her ass in trouble  
Goin' to beat bay, so that mean no rubber

That's my motherfuckin' best, nigga, that's how I cut  
her  
We been fuckin' for a while, that's how we fuck each  
other  
Love diggin' in lil' mama, 'casue it get gutta  
Seem like that pussy go to runnin' soon as you touch  
her

When I get in that pussy, I'm tryin' to pull a muscle  
Ready to come up out these boxers, so I can gon' and  
fuck her  
I can blame it on the liquor if I wanna suck her  
Know I'm ready to fuck bad than a motherfucker

I'm just in one of them moods, I feel like fuckin'  
Wanna lay up in somethin' wet and punish somethin'  
I want a nice lil' baby who ain't got on nothin'  
I got a taste for some pussy, I feel like fuckin'

I'm just in one of them moods, I feel like fuckin'  
Wanna lay up in somethin' wet and punish somethin'  
I want a nice lil' baby who ain't got on nothin'  
I got a taste for some pussy, I feel like fuckin'

Can be four in the mornin' or two in the afternoon  
Just thinking 'bout that pussy get me in my mood  
Knowin' that pussy on its way, get me in my groove  
Nothin' like a bad bitch who body smooth

Lay her flat on the bed and look at her in the nude  
Then fuck on every inch of the whole room  
Money first, then pussy, then food  
Around fat pussy it's hard to keep my cool

Gotta turn my head, so I don't fuckin' drool  
I can tell when I want it, feel my boxers move  
Yet they pussy get wet, when they want it too  
Good pussy, the worst thing you can ever lose

I'm just in one of them moods, I feel like fuckin'  
Wanna lay up in somethin' wet and punish somethin'  
I want a nice lil' baby who ain't got on nothin'  
I got a taste for some pussy, I feel like fuckin'

I'm just in one of them moods, I feel like fuckin'  
Wanna lay up in somethin' wet and punish somethin'

I want a nice lil' baby who ain't got on nothin'  
I got a taste for some pussy, I feel like fuckin'

I feel like fuckin'  
I feel like fuckin'  
I feel like fuckin'  
I feel like fuckin'
