chorus

if u think u know exactly where its at nigga  
go for it go for it  
if u think u know how to spend it and make it back  
nigga  
go for it go for it  
if u think u know how to drop it and make it scratch  
nigga  
go for it go for it  
if u think yo next move u a make a sack nigga  
go for it go for it

verse

u got to go for it if u really want it  
and if u really need it  
or if u really hungry  
go for it muthafucker like this yo last option  
like this yo last chance  
dont let a nigga stop u this world aint bout shit  
its all about a profit its all about a check  
its all about who got it go for it go for it  
go for it muthafucka  
a hoe nigga gone beg a real nigga gone hustle  
if u come from where im from then u make something  
out nothing  
its 4 for 10 nigga who the fuck going for it  
chorus

if u think u know exactly where its at nigga  
go for it go for it  
if u think u know how to spend it and make it back  
nigga  
go for it go for it  
if u think u know how to drop it and make it scratch  
nigga  
go for it go for it  
if u think yo next move u a make a sack nigga  
go for it go for it

verse

the world dont owe me shit and i dont owe it nada  
dont give a fuck about me dont care nun bout my

problem

thats y i say fuck ti cus bitch i am a rida  
i may not neva be shit but im tryna be a provider  
cus money all that matta reccesion made it badda  
who climbin up the ladda the hood just dont matta  
my hood a fucking disaster and nobody tryna help us  
but we aint gone complain about it we just gone make it  
happen  
so mutha fuck a master and mutha fuqkin captain  
and mutha fuck anybody who tryna stop our chedder

chorus

if u think u know exactly where its at nigga  
go for it go for it  
if u think u know how to spend it and make it back  
nigga
