It's so incredible
Damn, I can't believe it's 'bout morning
Oh, ladies, this is Mario, yeah

We be in the bed, girl, getting all wild
Fuckin' like it's goin' out of style
You be like yeah, yeah, getting all loud
Fuckin' like we trying to have a child

Got you up against the headboard
Got your body swingin' like ooh, ooh, ooh
Baby, grab the headboard
Make it go, make it go, ooh, ooh, ooh

Girl, I want you to get on top of me
And grind nasty until I feel body heat
I make your head hit the headboard 'til it squeak
I'll put it on ya, have you thinking 'bout me for a week

And I'ma make sure that she feel it 'cause I'm goin'
deep
Yeah, I'ma take all of my stress out under these sheets
Since you think you can handle me, then we'll feel and
see
I'll put a arch in your back, now I'm feelin' beat

I told her don't run from me, now we both breathin'
Like we runnin' track, yeah, I got a fienin'
Girl, as long as you want me to I'ma keep performing
All the way to the morning, promise I'll keep it hard

We be in the bed, girl getting all wild
Fuckin' like it's goin' out of style
You be like yeah, yeah, getting all loud
Fuckin' like we trying to have a child

Got you up against the headboard
Got your body screamin' like ooh, ooh, ooh
Baby, grab the headboard
Make it go, make it go, ooh, ooh, ooh

Let me stuff this pillow behind the headboard

'Cause if I don't do that, it's going to make too much
noise
Ain't pop no pill but I am really hard
What you want in your stomach, a girl or a boy?

How you want me to start it, tongue or the toy?
I can tell you what I want, Becky my first choice
And I ain't stopping tonight until I getcha hoarse
Cut that duck in half 'cause she is so moist

Got her going, she loose, I hear it in her voice
Can tell how she move that she can ride a horse
Don't change a thing, you on the right course
I did all the work so you gon' have a boy

We be in the bed, girl getting all wild
Fuckin' like it's goin' out of style
You be like yeah, yeah, getting all loud
Fuckin' like we trying to have a child

I'd love to put you up against the headboard
Got your body screamin' like ooh, ooh, ooh
Baby, grab the headboard
Make it go, make it go, ooh, ooh, ooh

We goin' live like it's out of style
And I got stamina so I'ma be here for a while
20 years old, but I stroke it like I'm 35
20 years old, but I stroke it like I'm 35

Baby, I wanna make your body cry down below
Now watch I'll dive all the way to the ocean floor
Her legs started shakin' that's when I lost control
I wanna kiss you from your belly button to your toes

I whisper something nasty now get a, get a movin'
You know what up hostella, I'ma get you that groovin'
Then I'ma tell you what I'm doing to you while I'm doing
it
Yeah, I'ma tell you what I'm doing to you while I'm
doing it

We be in the bed, girl getting all wild
Fuckin' like it's goin' out of style
You be like yeah, yeah, getting all loud
Fuckin' like we trying to have a child

Got you up against the headboard
Got your body screamin' like ooh, ooh, ooh
Baby, grab the headboard
Make it go, make it go, ooh, ooh, ooh
